External pre-approved caterers are allowed, but a kitchen hire and generator rental fee applies.

We can customize your event's liquor offering with specialty bars like a gin bar, custom cocktails, or craft beer bar (bar services can not be outsourced).

All alcohol and beverages are customized according to the client's requirements.

Both open bar and cash bar options are available (we are a no-cash facility).

Wines brought by the client are subject to a corkage fee per bottle.

No alcohol or beverages may otherwise be brought onto the premises.

Ice is provided for the event.
